Features

Please be aware that the features/specifications can differ from country to country.

- Watch TV, movies, photos and games in superb High Definition detail thanks to the 6.2 mega pixel resolution
- When you are not watching TV, turn it into a digital picture frame with the fantastic Picture Frame Mode. Fill the black hole in your living room by using your TV to display your own pictures or the 6 pre-installed images
- Experience incredibly clear and defined images with BRAVIA ENGINE 2 picture enhancement technology and Advanced Contrast Enhancer
- It's easy to use your TV screen to view your digital photographs with USB Photo Viewer and with PhotoTV HD you can see them in superb High Definition quality
- No more confusing menu screens thanks to our easy-to-navigate XrossMediaBar™ to browse all your TV functions
- See vibrant and natural colours with Live Colour Creation and x.v.Colour on the 10-Bit LCD panel
- Featuring the draw the LINE design concept and Midnight Sky finish, the BRAVIA W4000 looks fantastic and has a versatile swivel function
- Control your entire home cinema set-up with just one click on the TV remote thanks to BRAVIA Sync
- Three HDMI™ inputs (two on rear, one on side, all with CEC) make it even easier to connect to High Definition sources such as Blu-ray Disc™ and PLAYSTATION®3
- If watching films is your thing then this is the TV for you - view movies exactly how the director intended with 24p True Cinema
- Experience the effect of digital surround sound from only two front speakers with Virtual Dolby® Surround and BBE ViVA sound technology
